

Jaymee Rosser

I am an Interactive and Motion Graphics designer.
My passion is to create stories with any medium at hand. I desire to learn, grow and create.

Phone: **315-226-2143**

Email: **jl9623@rit.edu**

Website: **people.rit.edu/jl9623/myPortfolio**

Experience:

UI UX Designer Intern

Rochester Regional Health - Summer & Fall 2018

I collaborated on multiple projects with developers and strategist to create complex user experiences and designed user interfaces to complement the UX.

Self Employment

Freelance Artist - 2015 to Present

As a freelance artist I had the opportunity to work with my clients to create printed materials, logos, T-shirt designs and social media content.

Student Manager

RIT Intramural Program - 2017 to 2019

Being a manager for RIT Intramurals has taught me about effective leadership and organization.

My roles were to oversee sporting events, manage team rosters and keep track of equipment and work schedules.

Education: **BFA New Media Design**

Minor: **Business Management**

Immersion: **Communications**

Leadership:

Team Captain

RIT Men's Basketball

As captain of the men's basketball team, it was my role to motivate my teammates to work hard on and off the court. Many times this called for me to be the example and establish myself as a role model for others.

Vice President of Health and Safety

Theta Chi Iota Psi

As an Eboard member in a fraternity, I had the opportunity to practice my leadership and communication skills. My role was to protect and preserve the overall well-being of the chapter, let that be physically, mentally, emotionally or spiritually.

Programs:

Illustrator

Photoshop

After Effects

Premiere Pro

Audition
